David E. Nye : Introducing Denmark and the Danes: A Two Hour Briefing (Revised Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Introducing Denmark and the Danes: A Two Hour Briefing (Revised Edition):

11 of 13 people found the following review helpful. Anyone considering traveling to or within Denmark should begin their preparations with a careful readingBy Midwest Book Review"Introducing Denmark And The Danes: A Two

Hour Briefing" by David E. Nye provides the non-specialist general reader with an informed and informative overview of Denmark including its people, its cities, its culture, and its countryside. A succinct and thoroughly 'reader friendly' text is organized into four major sections: 'Cultural Background'; 'National Character'; 'Economics and Politics'; and 'Practical Advice for Visitors'. In particular, it is these last section with practical advice on such fundamental issues as getting registered, traveling and working within Denmark, what to bring and what to buy, the climate, the holidays, and learning the language, that make this an indispensable instructional reference for tourists, business travelers, exchange students, and immigrants. Of special note are the single page descriptions on 'Danish national Newspapers' and 'Libraries and Books'. Anyone considering traveling to or within Denmark should begin their preparations with a careful reading of David E. Nye's "Introducing Denmark And The Danes".

This completely updated and considerably expanded edition of *Introducing Denmark and the Danes* offers an excellent general introduction to Danish culture, politics, and socio-economics, as well as general and practical advice for visitors. *Introducing Denmark and the Danes* has been constantly in print for almost a generation, attesting to its usefulness in helping outsiders to know a remarkable country and find their way into its everyday life. Not a conventional guidebook but an orientation to the culture, this little book opens the door to one of Europe's most fascinating nations.

About the Author David E. Nye is Professor of American Studies at the Danish Institute of Advanced Study at the University of Southern Denmark. He is the author of "Technology Matters: Questions to Live With" and "When the Lights Went Out: A History of Blackouts in America", both published by the MIT Press, and other books.
