**Peter Zoeller, Michael Diggin : Ireland: A Visual Journey Around the Counties of Ireland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Ireland: A Visual Journey Around the Counties of Ireland:

0 of 0 people found the following review helpful. An attractive broad first presentation nicely balanced both in word and pictureBy HerculeI find Peter Zoeller's compact book a very useful broad introduction to Irish travel options. The photos chosen are relevant, attractive and provide a sturdy first sense of some primary variations within the Emerald Isle. It motivates the start up curious nicely toward a further investigation involving more detailed and serious sources. If available at an attractive price, it's an easy happy choice.3 of 3 people found the following review helpful. GreatBy KMMExcellent. The highlights were well covered. Wonderful book to both prepare for a trip or to remember where

This book is a collection of 300 contemporary images of the natural beauties of Ireland, covering every one of the 32 counties. The photographs are taken by two of the country's leading landscape photographers, Peter Zoller and Michael Diggin.

About the Author The Photographer Michael Diggin is an internationally renowned photographer based in Tralee, Co. Kerry. Peter Zoller is a freelance photographer. He was born in Frankfurt but came to live in Dublin over twenty years ago. He now lives in Kenmare, Co Kerry.
