Graham Hutt, RCC Pilotage Foundation : Islas Baleares: Ibiza, Formentera, Mallorca, Cabrera and Menorca before purchasing it in order to gage whether or not it would be worth my time, and all praised Islas Baleares: Ibiza, Formentera, Mallorca, Cabrera and Menorca:

0 of 0 people found the following review helpful. Very usefulBy ProfessIt was our first time yachting in Mediterranean and this book helped us very much. We found description of each marina, each port, good and bad places for anchoring, phones and web-sites of marinas. In addition, author's comments about price levels and availability of berths in hot season helped us.

This is the only fully comprehensive pilot guide in English to Spain's Balearic Islands. this new edition of Islas Baleares - Ibiza, Formentera, Mallorca, Cabrera and Menorca - has been thoroughly revised for the RCC Pilotage Foundation by Graham Hutt who has visited the islands during 2009 and 2010. Throughout the plans and technical data have been brought up to date.

About the AuthorThe RCC Pilotage Foundation was incorporated as a company limited by guarantee in 2005 and is a registered charity. It is run by volunteer members of the RCC. The Foundation publishes pilotage information through books and a range of media accessible via its own website RCCpf.org.uk Creation of new RCC Pilotage Foundation publications and updates to existing publications are only made possible through the supply of information from around the world by generous-minded yachtsmen and women, and the dedicated work of authors and editors.
