**Ordnance Survey : Islay (OS Landranger Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Islay (OS Landranger Map):

0 of 0 people found the following review helpful. Old fashioned detailed roadmapBy John WIt's a nice large map of all the information that a tourist would need to travel in a new area. It's great in an area where you won't get GPS coverage

The OS Landranger Active Map series covers Great Britain with 204 detailed maps, perfect for day trips and short breaks. Tough, durable and weatherproof, covered in a lightweight protective plastic coating that can be written on, so that your favourite routes can be easily highlighted. Each map provides all the information you need to get to know your local area and includes places of interest, tourist information, picnic areas and camp sites, plus Rights of Way information for England and Wales. OS Landranger Active now includes a digital version of the paper map, accessed through the OS smartphone app, OS Maps.
