**Bernard Lewis : Istanbul and the Civilization of the Ottoman Empire** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Istanbul and the Civilization of the Ottoman Empire:

0 of 0 people found the following review helpful. factual, interesting, but I wanted more.By Rich HaleckiIt was a well written book. I learned a lot. However, the focus was just not exactly what I was looking for. I guess I was looking for something more about the Byzantine/Ottoman Empires than just Istanbul. (I know; the title "Istanbul" should have been a clue).I did enjoy the book. enough so, that I'm thinking of ordering one of his other books on the Middle East0 of 1 people found the following review helpful. Five StarsBy Ricardo WinkelLewis is the most erudite middle east scholar.2 of 3 people found the following review helpful. very good.By Steven EstradaI received the within two day of ordering, very good.

This 189-page hardcover was published in 1963 by the University of Oklahoma Press. This book is an ex-library volume, containing typical library marks and stamps. Otherwise, pages are clean and unmarked. The dustcover is good, with wear along edges and corners. The hardcover looks very nice, with bright gold lettering on the spine. Overall, a good conditioned volume.
