Must have book for learning ItalianBy CustomerThis is a good book really worth having especially if you can get it at a reduced price.I bought two used ones and they look quasi quasi/almost new. The CDs in both books had never been used or opened. They're in the back of the book covered up. You have to rip open the paper container they're in. There are molti dialogs and other stuff on the CDs.30 giorni ha novembreCon aprile, giugno settembre.28 c'è n'è uno.Tutti le alre ne han 31.There are quizzes at the end of the book like with the books Italian Dymistified and Advance Italian Demystified.0 of 0 people found the following review helpful.
