**Kristine K. Kershul : ITALIAN in 10 minutes a day® AUDIO CD.** before purchasing it in order to gauge whether or not it would be worth my time, and all praised ITALIAN in 10 minutes a day® AUDIO CD.:

1 of 1 people found the following review helpful. Great way to learn for a trip to Italy By JAM Great way to learn for a trip to Italy. Unfortunately, CD #1 got cracked so I couldn't use it :( Missing that first CD I felt like I was behind from the beginning and am having trouble moving forward at a decent pace. I went online to see if I could buy a replacement for just the first CD but (not surprisingly) that isn't an option and I don't want to drop the money on another full set just for one CD. 0 of 0 people found the following review helpful. Good For Beginners By Tall Girl I own several learn Italian books. This is one of the best. It's easy to understand it has a helpful dictionary in the back. I feel like the author really did a good job explaining the language to beginners. Also liked how each Italian word was accompanied by a pronunciation. 0 of 0 people found the following review helpful. Be careful if you buy this. By None I

purchased a new item and received a used one in original box that was opened.

Learning Italian has never been this easy! This complete language learning kit includes the 10 minutes a day® audio CDs, the book and the interactive CD-ROM. ITALIAN in 10 minutes a day® AUDIO CDs 8 hours of audio instruction with personal tutors to guide you through each step Easy to use on their own or with the 10 minutes a day® book ITALIAN in 10 minutes a day® Book 132-page illustrated workbook 150 Sticky Labels, Flash Cards, Cut-out Menu Guide, Pronunciation Guide ITALIAN in 10 minutes a day® CD-ROM See and hear the words as you play with them on your computer Interactive Sticky Labels, Flash Cards, Colors and Numbers PC and Mac friendly The 10 minutes a day® program provides step-by-step personalized instruction—introducing a new word and practicing it with you. You'll learn the building blocks of the language so you may expand your conversational ability for any situation and enhance your travel experiences abroad. The focus is on success, practicality and fun!

In just 10 minutes a day, you can learn conversational Italian, with accents from Rome, Milan, and other parts of Italy. The CDs are well labeled with the titles of the lessons and mesh well with the workbook, which contains all the words and phrases, flash cards, puzzles, sticky notes, and more. The teacher introduces each exercise; then two voices recite the phrases or sentences, and provide long pauses for the listener to repeat the words. Clear enunciation combined with everyday vocabulary and situations make learning Italian fun and exciting. The phrases quickly grow into sentences, and the learner gains fluency in small bites.
