Natasha Foges : Italian Lakes (Regional Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Italian Lakes (Regional Guides):

3 of 3 people found the following review helpful. Lovely GuideBy hulagirlfriendEven if you don't visit this area, this is a wonderful book on this part of Italy. It is loaded with colorful pictures of all the areas surrounding these lakes. Make sure you get the most current version which was just released in March 2013. You will even be told where George Clooney lives on Lake Como. Because of the high quality of the paper in this book, it is heavy. I still wish these travel books had spiral bindings as it would be so much easier to read.0 of 0 people found the following review

helpful. Beautiful photos
By 10smom
Lovely photos with lots of great info. A bit too heavy to carry around all day, though. Good for research and reminiscing.
0 of 0 people found the following review helpful. not your usual travel guide
By sparky_magic_rainbow
This is sooo much more informative than DK's "Milan And The Lakes." Clear pics/lucid prose/well organized. Good history and wildlife chapters. Do yourself a favor and buy this at least 6 weeks before trip. Definitely have to read 3X to fully absorb all the relevant details

IRG Italian Lakes is an essential travel guide to one of Italy's most beautiful regions, full of stunning travel photography. It features fascinating essays on the history of tourism in the region, as well as its awe-inspiring art and architecture, diverse wildlife and exquisite cuisine. Be inspired by our Best of Italian Lakes section, which highlights unmissable sights and experiences, and lavish Photo Features on grand hotels, villa gardens, luxury thermal spas and shopping in Milan. A detailed Places section, with full-color maps, shows you where to go and what to do, from the resorts of Lake Garda to fabulous Verona, the city of Romeo and Juliet, and fashion capital Milan. A comprehensive Travel Tips section gives you all the travel advice you need to plan your trip. Our selective listings for hotel and restaurants are the personal recommendations of our local authors and direct visitors to authentic establishments with local character.

About the Author
Natasha Foges moved to Italy in 2003 for one year and ended up staying for four, during which time she took on an array of jobs, from paparazzo's assistant to Latin teacher, before trying her hand at travel journalism. Now an editor and travel writer based in London, she spends much of her time pining for the southern Italian sunshine, and goes back as often as she can to soak up the atmosphere and tuck into some world-class pizza.
