Karl Baedeker : Italy, Handbook for Travellers, Vol. 1: Northern Italy and Corsica (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Italy, Handbook for Travellers, Vol. 1: Northern Italy and Corsica (Classic Reprint):

Excerpt from Italy, Handbook for Travellers, Vol. 1: Northern Italy and Corsica The object of the present Handbook, like that of the Editor's other works of the same description is to render the traveller as independent as possible of the services of guides valets-de-place, and others of the same class to supply him with a few remarks on the progress of civilisation and art among the people with whom he is about to become acquainted, and to enable him to realise to the fullest extent the enjoyment and instruction of which Italy is so fruitful a source. The Handbook is, moreover, intended to place the traveller in a position to visit the places and objects most deserving of notice with the greatest possible economy of time, money, and, it may be added, temper; for in no country is the traveller's patience more severely put to the test than in some parts of Italy. The Editor will endeavour to accompany the enlightened traveller through the streets of the Italian towns, to all the principal edifices and works of art; and to guide his steps amidst the exquisite scenery in which Italy so richly abounds.
