Libreria Geografica : Italy, North Central Road Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Italy, North Central Road Map:

Paper map folded in laminated cardboard cover with attached index booklet. Printed on both sides. Legend in 4 languages. One side includes Alpine passes and motorways charts with emergency contact information, and large region map of Alps down to Perugia. Reverse includes maps of country-wide railway system, maritime routes, provincial boundaries, and a distance chart. Reverse also shows map from Cremona to Ceregnola.
