Sonia Hillsdon : Jersey Witches, Ghosts and Traditions before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jersey Witches, Ghosts and Traditions:

1 of 1 people found the following review helpful. History book By Avid Reader This was dense, intense reading. If you are into dry history books this is the book for you. If you are into ghost stories and legends or even the educational parts about them, this is a hard read. Reads like a text book. The old ones.
