**Sarah Lee : Jewels of North East England: A Travel Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewels of North East England: A Travel Guide:

0 of 0 people found the following review helpful. Rather superficialBy Ronald B. AndersonA brief listing of highlight sites with a very brief and superficial write-up on each. Not really a source of useful information.0 of 0 people found the following review helpful. More like something you'd make on Shutterfly for a giftBy JFoIf you are looking for detailed information, lodging info, coordinates/address/directions choose something else. This is an personal account

with a snapshot of each location. Not a travel guide. More like something you'd make on Shutterfly for a gift. 0 of 0 people found the following review helpful. travel treatBy S. L. RaganI was already excited about planning a trip through this historically fascinating area and this book was just the little extra push I needed.

Jewels of North East England is a travel guide of interesting places to visit. A collection of intriguing places of outstanding natural beauty and deep historical significance. All of the places have been photographed by me, and have personal significance in my life. I wanted to share my knowledge of the artful beauty of the North East with visitors near and far. So welcome to this awe inspiring land that has inspired poets and artists famous world wide. Its beauty speaks for itself.
