Rachel Kolsky : Jewish London, 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Jewish London, 2nd Edition:

0 of 1 people found the following review helpful. Five StarsBy Helene StarkExcellent

The only travel guidebook to focus on the sights, heritage, and culture of London s historic and present Jewish community. Packed with fascinating and practical information, Jewish London features everything for the visitor to London, from walking tours of historic areas such as the old Jewish East End to listings of kosher restaurants and shops, and information on important Jewish Londoners and where they lives, complete with plenty of specially

commissioned maps. It is also an extremely useful compendium of information for the Jewish resident of London, listing Jewish cultural and heritage organizations, synagogues, ritual baths and other important Jewish centers in London. There are also chapters on exploring places of Jewish interest off the main tourist trail, an in-depth look at the Jewish Museum, features on Holocaust memorials, art and artists, literature and film, a calendar of cultural events and festivals, and a chapter on suggested day trips from London. This guide is the perfect companion for discovering Jewish London throughout the centuries to the present day.

A must for anyone interested in exploring Jewish life in London past and present. An information-packed, handsomely illustrated guide... Highly recommended for anyone, Jewish or not, planning a trip to London... It's not often that a guidebook gets people genuinely excited. But the stunning Jewish London sets standards that are hard to beat. Although the cover price of Jewish London is a bargain, this book may end up costing you a whole lot more? like round-trip airfare to London! The richly-illustrated pages of Jewish London are a pleasure to just behold, and the text opens our eyes to surprising facts about a place we thought we already knew well. Above all, the book serves to greatly enrich the experience of London itself by showing us an unsuspected dimension of the world's greatest city. London has been much written about, of course, but Jewish London is certainly going with me on my next visit! From the Back Cover The perfect companion for discovering Jewish London through the ages "A must for anyone interested in exploring Jewish life in London past and present." -Chicago Tribune "An information-packed, handsomely illustrated guide... Highly recommended for anyone, Jewish or not, planning a trip to London..." -Library Journal "It's not often that a guidebook gets people genuinely excited. But the stunning Jewish London sets standards that are hard to beat." -London Jewish News "Although the cover price of Jewish London is a bargain, this book may end up costing you a whole lot more-like round-trip airfare to London!" -Jewish Book World
