Edward Lear : Journal Of A Landscape Painter In Corsica before purchasing it in order to gage whether or not it would be worth my time, and all praised Journal Of A Landscape Painter In Corsica:

0 of 0 people found the following review helpful. Not a High Quality EditionBy Kindle readerI'm a fan of Corsica so I ordered this book to get a glimpse of the island more than a century ago. Edward Lear's illustrations are beautiful.This

paperback edition is not easy to read though. For instance, the text on pg 13 is missing, some of the pages are repeated and the print is very small. That's why I'm giving it 3 stars. Apart from being a great travel destination for its unspoilt beauty, this is still true today as it was in the 19th century: "there are no beggars in Corsica", (even in this global recession).

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
