K. Lindner, Martin Siepmann : Journey Through the Allgau (Journey Through series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Journey Through the Allgau (Journey Through series):

2 of 2 people found the following review helpful. The book is a pretty good overview of the Allgau in southern GermanyBy CustomerThe book is a pretty good overview of the Allgau in southern Germany. It has a wide variety of photos, including small towns, people in local costumes, food, castles, and landscapes.The photos range in size from 4 photos to a page up to 1 photo that spans across 2 pages. The photo quality is above average. Each photo has a description of a few sentences. Overall the book is about 75% photos and about 25% text.Having seen a number of photo books about the Allgau, this is definitely one of the better ones.0 of 0 people found the following review helpful. Five StarsBy Sharonfast shipment, exactly what I wanted
