Passport Books : Just Enough Serbo-Croat before purchasing it in order to gauge whether or not it would be worth my time, and all praised Just Enough Serbo-Croat:

2 of 2 people found the following review helpful. Just Enough Serbo-Croat By Zandra Brown This book is designed to help you get around a Serbo-Croat speaking environment with ease. I think the book is capable of providing the basics

needed to get around. I would recommend this book for foregin travelers.3 of 5 people found the following review helpful. Not too happy with the bookBy U. MartinovicThis book is written in more Croat "language" than the original and true Serbian language.5 of 8 people found the following review helpful. the best way to start learning serbianBy A Customera wonderful well written travel book to get you started learning the serbian language. the book works best when you read through it 2-3 times.then ibegan using cassettes for pronunciation. i would also recommend all of the teach yourself serbo- croat series by TY. it worked for me.I recently traveled to serbia and montenegro (Yugoslavia)a beautiful country with great food and wonderful people. i loved yugoslavia so much i plan to move their this summer when i graduate from high school. i now am practically fluent in serbian because i have taken night school and saturday evening classes. its all because this little book that got me so fascinated about sebian language and serbian people. i love serbia and am counting the days now. (26) DAYS. in the near future my whole immediate family may move to serbia. i hope you read this and if you do you have got to buy this book. i found it at Borders. so as the serbs would say Dobro dosli!

Noticeable wear to cover and pages. May have some markings on the inside. Fast shipping. Will be shipped from US. Used books may not include companion materials.
