Kaliningrad (Königsberg, Russia) 1:20,000 Street MapKaliningrad street plan at 1:20,000 with an enlargement of the city's central districts at scale 1:7,000, including the port. Sheet size is 111 x 75 cm / 44 x 29.5 in.This double sided map features: on one side a street plan at 1:20,000 covering the city within its administrative boundary, accompanied by an index. Streets are annotated with numbers of selected buildings for easier identification of addresses. On the reverse, the central districts of the city including its port are enlarged to 1:7,000. Added is a very detailed, topographic (contoures in 20m interval) road map of the environs.This is a Russian map of a Russian city and is, therefore, completely in Russian (i.e. in Cyrillic).
