Austria is a glorious country?much like Switzerland, yet less touristy and less expensive. This book gives the traveler a wealth of information with destinations that range from the popular Tyrol and the Danube to the lesser-known castles of Burgenland and the glorious lakes of Carinthia. To supplement the itineraries, there are delightful places to stay along the routes, including former castles, ancient monasteries, alpine chalets and cozy farmhouses, all selected for their charm and the highest standards of service and quality. 5 Regional Countryside Driving Itineraries, Descriptions
