From the castles of Burgenland to the glorious Tyrolean Alps and the wine villages along the Danube, this completely updated guide has the itinerary to suit you. Travellers have trusted Karen Brown's guides for more than 20 years and for their warm engaging and up to date reviews of the finest inns and small hotels in Europe and North America. This Austrian guide conveys the genuine hospitality, old world charm, cosy ambiance and country simplicity that make Austria such a treasure to visit, and comes complete with easy to follow itineraries. Only the most charming places to stay make it onto the pages of these guides - no inn can buy its way in and those not maintaining their standards every year are dropped. These guides are so reliable that travellers have come to plan their whole holidays around Karen Brown's recommendations.

About the AuthorKaren Brown began researching, writing and publishing her first two titles whilst travelling in France and Britain at the age of nineteen. Karen enlisted the aid of her mother, Clare Brown, a former travel agent (whose experience proved invaluable) and followed up with books on Italy, Switzerland, Austria, Spain, Ireland and Germany. June Brown, an English woman, no relation, was recruited to the staff. This talented Karen Brown trio are solely responsible for the research, writing and production of these guides and personally visit every inn that is included. The

company is therefore intentionally intimate in size, which helps to maintain the quality and consistency of recommendation.
