Karen Brown : Karen Brown's Portugal: Charming Inns Itineraries 2000 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Karen Brown's Portugal: Charming Inns Itineraries 2000:

6 of 6 people found the following review helpful. Indispensable for any traveler in Portugal By gabrielle pecarsky I used this book side-by-side with my Frommer's Portugal and found it to be a great complement. It excels at finding wonderful accommodations across the ENTIRE country. (My Frommer's book, I found, included only the most popular tourist spots, largely ignoring the Douro Valley, for example, which every traveler should see.) Each of the places we stayed was unique and spectacular, and many of them were not included in other travel guides. The regional itineraries were also very useful. While we didn't follow any of them to the letter but rather picked and chose to suit our travel plans, the book pointed out lots of special points of interest, again not always mentioned in my Frommer's book. (Were it not for these itineraries, we undoubtedly would have missed seeing the medieval castle at Marvao, a highlight of our trip.) For in-depth coverage of all of the regions of Portugal and lodging recommendations you can trust, this book is it. This was my first time buying a Karen Brown guide, and it certainly won't be my last. 14 of 14 people found the following review helpful. Karen Brown's 2000 Portugal: Charming Inns and Itineraries By Richard P. Kemper After digesting several other books on Portugal I received Karen Brown's book. Had I received her book first, I could have saved a lot of money and time because no other book comes anywhere close to providing the information and interest in visiting the places that she writes about. I cannot wait to read her other books. Wanted to have a vehicle there but was dissuaded by the other publications. However, after reading her book I am anxious to rent a vehicle and

visit all the wonderful adventures that she has written about. Sorry to say we only have 16 days this time, but rest assured we will return to finish the books descriptions of all the wonderful places. The web sites and phone numbers provided are extremely helpful; even moreso that the information provided by the state run tourism office. The encouragement to explore is there. Thanks once again for a wonderfully written guide book.

Karen Brown Portugal Inns Itineraries "A Pioneer and still leader in the category of high-quality small inns and bed and breakfasts." -- Gourmet "Books to dream over, but also to use." -- Washington Post Completely updated every year, Karen Brown Guides point you to the most charming inns and BBs in Europe and the USA.
