Karen Brown : Karen Brown's Portugal: Exceptional Places to Stay Itineraries 2006 before purchasing it in order to gage whether or not it would be worth my time, and all praised Karen Brown's Portugal: Exceptional Places to Stay Itineraries 2006:

Portugal has a centuries-old history and great variations in landscape and character. This book has a terrific selection of wonderful places to stay. We include an excellent selection on delightful little hotels and feature lovely turismo de habitacao and turismo rural where the Portuguese have opened up their homes, many of which have been in the same family for many generations.
