4 of 4 people found the following review helpful. Great guide for your trip to SwitzerlandBy 10zaThese books have been very helpful on our two trips to Europe. I have found every hotel review to be accurate. The authors also give great ideas for side trips and useful maps. You can plan your whole vacation using these books.If you want to find charming smaller hotels in Europe this books is your best bet. If you prefer a larger American Style hotel or resort this is not the book for you.

Completely updated every year, Karen Brown Guides point you to the most charming inns and BBs in Europe and the USA. Loaded with tons of reviews and easy-to-follow itineraries as well as lively, personal descriptions of all inns, hotels, and BBs; accommodations in all price ranges, chosen for their charm and the warmth of their welcome; plus

locator maps which help to plan inn-to-inn itineraries.
