Not only is the story cute, but it covered every tourist location we went to. She was sooo excited to see the lions in Trafalgar Square and was only a little disappointed that it didn't come to life for her.Overall this did help her understand all the places we went to and made our trip more exciting and less scary (plus allowed me to practice my English Accent)2 of 2 people found the following review helpful. Nice book for the elementary levelBy L. LathropI used this book to accompany an art lesson on England for a group of preschoolers ages 2-5. It was a little long for them but would be perfect for grades K-4 or so. Lots of great visuals and touches on the many tourist sites of London. Would be a great precursor if you were taking a child to visit England and London in particular.0 of 0 people found the following review helpful. This is a great book, especially for my 6-year-old AnglophileBy JackWyatt'sMumThis is a great book, especially for my 6-year-old Anglophile! He's so interested in anything having to do with London, and this book is factual but also a lot of fun. I'd recommend for any child interested in London or traveling to London.

Discover the most famous and popular sights in London with classic picture book character, Katie. When Katie and her brother, Jack, visit London with Grandma, at first it seems it's full of big buses, big buildings and bigger crowds, until the Trafalgar Square lion takes them on a wonderful tour of the city taking in such sights as The Tower of London, Buckingham Palace and the London Eye! This latest edition of a classic book is the perfect gift. Why not

collect all 13 Katie titles. London comes to life in this magical adventure - Independent on Sunday Featuring many of the key sights of Britain's capital, this storybook has become a bestselling introduction to London, and a perfect story for children visiting the city for the first time.

A wonderful introduction for young readers to delights of the Tower, Buckingham Palace and a host of London landmarks. Ham High Mayhew's illustrations are stunning... a wonderful introduction to London... a lovely read indeed. Library Mice London comes to life in this magical adventure. Independent on Sunday London comes to life in this magical adventure. Independent James Mayhew knows just how to capture the imagination and he depicts all the famous sights, beautifully drawn. This would make a great souvenir of a child's first trip to London. My Books Mag Children's books set in London are always popular and this is a particularly charming story of a girl having an adventure riding one of the Trafalgar Square lions. The Times About the Author James Mayhew studied at Maidstone College of Art and his first children's book, Katie's Picture Show was published in 1989. It's been firmly in print ever since, recognised universally as the original and best introduction to art for children. Many more titles have followed, and the series sells in museums and galleries all over the world, from the Met in New York, to the Uffizi in Florence, the Louvre in Paris and beyond. He is also the creator of the much-loved Ella Bella Ballerina series, and many other titles. Alongside his work in publishing, James has devised and performed in a hugely successful series of concerts for children, combining live classical music, storytelling and live art. From Peter and the Wolf, to Scheherazade, James has worked internationally with many different orchestras and musicians, creating illustrations in time to music. James grew up in Suffolk but now lives in Hertfordshire.
