We recently went to Scotland to visit my husband's family and brought our toddler and infant. I really like that this book is about going on holiday in Scotland because my toddler gets excited that we went there on vacation just like the girl in the book. They do a cute job of having Nessie in lots of places that we visited and the scenery and illustrations are just like what we saw. This is a great book to teach little ones about Scotland or help them to remember a vacation there!0 of 0 people found the following review helpful. Used for a trip to ScotlandBy Nate GWe used this book as an introduction for our 4 year old to what Scotland was before we went. It helped out a lot. She then was asking about nessie, she noticed many places Katie went and was more excited traveling. If we were not going there I would not recommend the book as it really is not that engaging otherwise and there are many other better books to spend time on.0 of 0 people found the following review helpful. Five StarsBy legogrannyLove the Katie books and so does my granddaughter.

Discover the most famous and popular sights in Scotland with classic picture book character, Katie. Come on a tour from the Highlands to the Edinburgh Festival. comes to life in this magical adventure - Independent on Sunday

"Absolutely brilliant". Vanessa Robertson, Edinburgh Bookshop Bruntsfield?Edinburgh Evening Newsan enjoyable story... it is for the pictures that this book will be loved.?The ScotsmanUniformly jovial... cheerful... to help children appreciate and enjoy culture and the world at large. ****?Books For KeepsLovely illustrations in this gentle book.?Angels UrchinsCharming.?lookingglassreview.comAn appealingly childlike vision of a visit to Scotland.?BooklistA delightful tale with superb illustrations.?The Scots MagazineAbout the AuthorJames Mayhew studied at Maidstone College of Art and his first children's book, Katie's Picture Show was published in 1989. It's been firmly in print ever since, recognised universally as the original and best introduction to art for children. Many more titles have followed, and the series sells in museums and galleries all over the world, from the Met in New York, to the Uffizi in Florence, the Louvre in Paris and beyond. He is also the creator of the much-loved Ella Bella Ballerina series, and many other titles. Alongside his work in publishing, James has devised and performed in a hugely successful series of concerts for children, combining live classical music, storytelling and live art. From Peter and the Wolf, to Scheherazade, James has worked internationally with many different orchestras and musicians, creating illustrations in time to music. James grew up in Suffolk but now lives in Hertfordshire.
