Sarah-Jane Williams, Shiela H Leon, FlyingKids : Kids' Travel Guide - United Kingdom: Kids enjoy the best of the UK with fascinating facts, fun activities, useful tips, quizzes and Leonardo! (Volume 40) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kids' Travel Guide - United Kingdom: Kids enjoy the best of the UK with fascinating facts, fun activities, useful tips, quizzes and Leonardo! (Volume 40):

0 of 0 people found the following review helpful. Fun UKBy Orit LepekThere is bit of everything related to the UK in this book. I would say it's best for 8-11 year old. Kids can learn about the four countries of the UK, how it looks like

(Geography), how people buy there (currency), transportation, English special food and special English expression (SO FUN) and of course, about the royal family. The content is provided in small chunks so the kids enjoy reading it. It's a great way to learn about the UK while having fun. 0 of 0 people found the following review helpful. Good for younger kids. By BooHBest for younger kids - ages 6 -8 or so. 5 of 5 people found the following review helpful. Excellent travel guide for children. By OahuMomMy kids are very into the United Kingdom (home of Harry Potter, the Beatles, Sherlock, and Dr. Who) and we're thrilled when I got this activity book as part of a promo. It is so fun and informative! It is a full color booklet with beautiful editing and graphics. The activities are VERY engaging with word searches, fun facts, and travel tips. I would have adored having a book like this when I was traveling as a child. My kids are totally planning out a trip to the UK soon and are reading up on all of the great sites they can visit.

Get 25% off promo code for this book here (Amazon.com only): <http://theflyingkids.com/25off-code> Edinburgh, Cardiff, Belfast, London ... Whichever city or part of The United Kingdom your family plans to visit, make sure you have the Kids' Travel Guide - United Kingdom. A unique travel guide and activity book in one, it's the fun way to discover Great Britain! Now available for e-book readers too! Kids' Travel Guide - The United Kingdom is an interactive travel book that includes quizzes, tasks, coloring pages, a travel diary, and much more. While the print edition provides the most complete experience, you can now combine it with the e-book to engage kids fully. Take advantage of this special offer: Download the e-book FREE with the purchase of the print edition! All about Great Britain, especially for kids - Geography, flags and symbols, and fascinating history, as well as culture, food, and even unusual expressions and superstitions. Fun, educational, and engaging—Leonardo, your kids' tour guide, will take them on a journey through The United Kingdom and keep them interested with fun facts, "juicy information," quizzes, special tasks, coloring pages, and their own travel diary. A bonus for parents—As a parent, you are invited to participate in your children's activities or to find an available bench and relax while your kids learn and enjoy. A personal book that becomes your children's souvenir of the trip—When you return home, the guidebook and diary will become a memoir of your vacation that the whole family can treasure for a lifetime. More fun adventures—The Kids' Travel Guide series includes many more destinations: France, Paris, Spain, Italy, Rome, Thailand, Bangkok, London, United States, San Francisco, Los Angeles, San Diego, New York City, and more. Choose from country guides or city guides—or get both in one combined edition. Go to the FlyingKids website (www.theflyingkids.com) to get your 40% Off PROMO CODE—plus a free copy of "Traveling Together — The All-Inclusive Guide to Traveling and Vacationing with Children." >> FlyingKids makes your family travel more fun, enriching, and unforgettable

About the Author Sometimes family vacations can be tricky ... You can plan plenty of activities for the kids, but all they want to do is to stay in the hotel room and watch TV... - You drive hours and hours to a famous attraction and when you get there you find out that the kids are only interested in their mobile devices... When you return home you realize that the kids don't remember much about the new places you were visiting. Well... maybe it never happens in your family... but in case it does – don't worry! you are not alone... Especially for kids! Interactive travel guides tell your kids everything they need to know about the country or city you plan to visit. From planning and packing to returning home with a record of great family memories. Especially for parents! A complete site for the traveling family. Learn how to best plan your next vacation with your kids, get ideas for entertaining kids during long drives, and benefit from great tips and parent forums: www.theflyingkids.com *Get special offers and PROMO CODES in our website: www.theflyingkids.com* FlyingKids makes your family travel more fun, enriching, and unforgettable.
