1 of 1 people found the following review helpful. This was the PERFECT amount of writing required for my 6 year old By Catherine Hanten I ordered one for each of my children ages 6 and 8 to complete on our trip! This was the PERFECT amount of writing required for my 6 year old. I had to challenge my 8 year old to write a little smaller and add a little more. The books make great keepsakes of their trip to Panama! This was a great idea!!!!

Kids can record their own travel adventures and make a treasured memory book for their trip to Amsterdam, with this travel journal. A great diary and travel companion that will increase children's excitement, this journal offers plenty of writing and drawing space. Helping children become involved in the early planning stages of their trip. This is a great gift for children and a great keepsake for parents.
