quality. 2 of 3 people found the following review helpful. Long wait for a total waste of money By Robert T Booth Long wait for a total waste of money. 31 pages, #14 font. Lists 9 historical attractions, 5 hotels, 2 places to eat and 5 places to shop. No maps, nada, zilch... Not one stantia metro. Mr. Wright get a real job and quite marketing BS My single chapter on Kyiv in my travel guide to all Ukraine is 5 times the book this is. Use google, it is free and much much better

Kiev is the capital of Ukraine, the largest country in Europe. It is the largest city in Ukraine with 2.7 million inhabitants. The city has a lovely balance of antiquity and modernity and the gleaming domes of the thousand-year-old monasteries and churches are why Kiev is often referred to as the Golden Domed Rose. Ukrainians are very proud of their cultural heritage.
