From Kartografija : Kiev (Ukraine) 1:12,000 City Center Map, ENGLISH edition 2012 before purchasing it in order to gage whether or not it would be worth my time, and all praised Kiev (Ukraine) 1:12,000 City Center Map, ENGLISH edition 2012:

0 of 0 people found the following review helpful. Almost Impossible To ReadBy CANTHESPAMIt is basically a very good and complete map of Kiev, but the print is soooo small that it is hard to read, especially in poor light. I know that if the print was larger, the map itself would have to be much larger and not as easy to use, but all in all, I want something with all of this information, that I will be able to read when at my destination.
