Knopf Guides : Knopf CityMap Guide: Seville before purchasing it in order to gage whether or not it would be worth my time, and all praised Knopf CityMap Guide: Seville:

This opening fold-out contains a general map of Seville to help you visualize the 6 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover Seville through 6 districts and 6 maps Cathedral/ Real Alcázar/ Santa Cruz Centro Arenal/ Triana Universidad/ Parque de María Luisa Macarena/ Feria San Vicente/ San Lorenzo/ Cartuja For each district there is a double-page of addresses (restaurants — listed in ascending order of price — cafés, bars, tearooms, music venues and stores) followed by a fold-out map for the relevant area with

the essential places to see (indicated on the map by a star *). These places are by no means all that Seville has to offer but to us they are unmissable. The grid-referencing system (A B2) makes it easy for you to pinpoint addresses quickly on the map. Transportation and hotels in Seville The last fold-out consists of a transportation map and 4 pages of practical information that include a selection of hotels.

The Washington Post says, “The map guide lets you be inconspicuous: it’s as small and light as a novella, and its flip-out maps could pass as a flyer to a cool club.” “Make sure you never lose your way in a strange city. Each of the Knopf MapGuides captures its city’s pith in a package as small as a passport wallet...” – Real Simple “Knopf MapGuides are handy, practical and perfect for those of us who are slightly impaired when it comes to map-reading. You don’t have to search a huge crackling sheet with a microscopic index for one of 10,000 dots on the map... The extraordinary quality of the books’ beautiful hues and heavy paper also give these \$8.95 guides an evocative quality that stands apart from the glossy, garish look of most travel books.” – Marin Independent Journal “A good, handy portable item for a quick trip” – San Francisco Chronicle “We love Knopf’s smart new map guides.” – Travel Leisure From the Inside Flap This opening fold-out contains a general map of Seville to help you visualize the 6 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses.
