0 of 0 people found the following review helpful. Essential!By KathleenThe best word to describe this book is COMPREHENSIVE. It compresses cultural information as if it were shrink wrapped for all the important sites one should see when they visit Rome, or any other city in the Knopf series. The authors' purpose is to give one the most complete, encapsulated description with photographs of what one should see at all the important sites. So much information, you might need a magnifying glass to see some of the illustrations.0 of 0 people found the following review helpful. Junior Rome GuideBy cherylExcellent condition. Beautiful book filled with insightful information.0 of 0 people found the following review helpful. Five StarsBy jtukeefabulous. i bought two more copies for friends who travelled to Rome with me,

"You can lose yourself in a guide, but you won't get lost in the city." -- Town CountryOnce the most powerful city in the world, the heart of an empire that stretched from northern Africa to England, the Rome of today stands as an unforgettable reminder of the birth of Western civilization. Rome is a city unsurpassed in its legacy of art and architecture, yet its nightclubs and fantastic restaurants such as Alfredo's (with its signature fettucine) prove there is still plenty of life in this city that sits along the banks of the Tiber.Everything you want to know about Rome is here: the Vatican ceremonies, secret gardens from a by-gone era, and walking tours from the breathtaking Piazza Novana to the Forum and Trastevere. Discover the beautifully proportioned piazzas, centuries-old churches, magnificent palazzos, and unsurpassed displays of mosaics, frescoes and statues, as well as the sidewalk cafes and shops along the Via Condotti. Enjoy the city's charm -- palm trees against crumbling ochre-colored walls, the golden vista of obelisks and domes at sunset, cats asleep in the Teatro Pompeii where Julius Caesar met his fate in 44 BC -- and marvel at its modern-day brio.
