Good Overview/SnapshotBy ModMom8We were only going to one island (Maui), but this is a great, quick overview of all the islands. I was surprised at the hidden "gems" the guide found (for example, it mentioned Sam Sato's for lunch). It doesn't go into great detail, or offer "suggested itineraries" like other guides, but it's a good starting point.

This opening fold-out contains a general map of Crete to help you visualize the 6 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover Crete through 6 districts and 6 maps: Héraklion/ Mount Ída/Haniá/ Lefká Óri/Western Crete/Réthymnon/ Messará Plain/ Ágios Nikólaos/ Mount Díkti/Eastern Crete. For each district there is a double-page of addresses (restaurants — listed in ascending order of price — cafés, bars, markets, music venues and stores) followed by a fold-out map for the relevant area with the essential places to see (indicated on the map by a star *). These places are by no means all that Crete has to offer but to us they are unmissable. The grid-referencing system (A B2) makes it easy for you to pinpoint addresses quickly on the map. Transportation and hotels in Crete. The last fold-out consists of a transportation map and 4 pages of practical information that include a selection of hotels. A thematic index lists all the sites and addresses featured in this guide.

The Washington Post says, "The map guide lets you be inconspicuous: it's as small and light as a novella, and its flip-out maps could pass as a flyer to a cool club." "Make sure you never lose your way in a strange city. Each of the Knopf MapGuides captures its city's pith in a package as small as a passport wallet..." — Real Simple "Knopf MapGuides are handy, practical and perfect for those of us who are slightly impaired when it comes to map-reading. You don't have to search a huge crackling sheet with a microscopic index for one of 10,000 dots on the map... The extraordinary quality of the books' beautiful hues and heavy paper also give these \$8.95 guides an evocative quality that stands apart from the glossy, garish look of most travel books." — Marin Independent Journal "A good, handy portable item for a quick trip" — San Francisco Chronicle "We love Knopf's smart new map guides." — Travel Leisure
