They are super lightweight and fit easily into a purse, ready to be plucked out when you are looking for direction in the midst of aimlessly wandering a foreign city! They are often older so the restaurant info and/pricing may not be up-to-date, but I am personally not concerned about that. My only wish is that they had them for more cities!2 of 2 people found the following review helpful. These books are awesome!!!By KM FerryEach foldout page is a small, detailed but clear map showing the points of interest in a given area. The page details the sites you can see, gives some information about it and shows how to get to those points on the map by foot, train, bus or

whatever other mode of transportation is available. They're small (about the size of a small address book) and very portable!!! Excellent for traveling. 0 of 0 people found the following review helpful. Five Stars By Alison S. Fast shipping; item exactly as described.

This opening fold-out contains a general map of Dublin to help you visualize the 6 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover Dublin through 6 districts and 6 maps: Medieval City/ Liberties Temple Bar/ Trinity College/ Kildare Street St Stephen's Green/ Merrion Square/ Grand Canal O'Connell/ Royal Canal Glasnevin/ Parnell/ Phoenix Park Smithfield/ St James/ Kilmainham. For each district there is a double-page of addresses (restaurants — listed in ascending order of price — pubs, bars, music venues and stores) followed by a fold-out map for the relevant area with the essential places to see (indicated on the map by a star *). These places are by no means all that Dublin has to offer but to us they are unmissable. The grid-referencing system (A B2) makes it easy for you to pinpoint addresses quickly on the map. Transportation and hotels in Dublin. The last fold-out consists of a transportation map and 4 pages of practical information that include a selection of hotels. A thematic index lists all the sites and addresses featured in this guide.

The Washington Post says, "The map guide lets you be inconspicuous: it's as small and light as a novella, and its flip-out maps could pass as a flyer to a cool club." "Make sure you never lose your way in a strange city. Each of the Knopf Map Guides captures its city's pith in a package as small as a passport wallet..." — Real Simple "Knopf Map Guides are handy, practical and perfect for those of us who are slightly impaired when it comes to map-reading. You don't have to search a huge crackling sheet with a microscopic index for one of 10,000 dots on the map... The extraordinary quality of the books' beautiful hues and heavy paper also give these \$8.95 guides an evocative quality that stands apart from the glossy, garish look of most travel books." — Marin Independent Journal "A good, handy portable item for a quick trip" — San Francisco Chronicle "We love Knopf's smart new map guides." — Travel Leisure.
