Knopf Guides : Knopf MapGuide: Italian Lakes (Knopf Mapguides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Knopf MapGuide: Italian Lakes (Knopf Mapguides):

2 of 2 people found the following review helpful. Knopf MapGuides of Italian Lakes and other places from By SharonHThe Knopf MapGuides are the most foolproof and helpful guides to cities and areas. The smallness of the book assures that you can carry it anywhere when you travel. The hints on restaurants and shops have been spot on every time. And the points of interest, monuments, museums etc. are perfect. All in all the best guide out there.

This opening fold-out contains a general map of the region to help you visualize the 6 large geographical areas

discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover the Italian Lakes through 6 areas and 6 maps Lago d'Orta/ Golfo Borromeo Lago Maggiore/ Centovalli/ Val Vigezzo Varesotto/ Lago di Lugano/ Valle d' Intelvi Lago di Como Bergamo/ Lago d'Iseo/ Brescia Lago di Garda For each district there is a double-page of addresses (restaurants — listed in ascending order of price — cafés, bars, markets, stores) followed by a fold-out map for the relevant area with the essential places to see (indicated on the map by a star *). These places are by no means all that the region has to offer but to us they are unmissable. The grid-referencing system (A B2) makes it easy for you to pinpoint addresses quickly on the map. Transportation and hotels in the Italian Lake District The last fold-out consists of a transportation map and 4 pages of practical information that include a selection of hotels. A thematic index lists all the sites and addresses featured in this guide.

The Washington Post says, "The map guide lets you be inconspicuous: it's as small and light as a novella, and its flip-out maps could pass as a flyer to a cool club." "Make sure you never lose your way in a strange city. Each of the Knopf MapGuides captures its city's pith in a package as small as a passport wallet..." — Real Simple "Knopf MapGuides are handy, practical and perfect for those of us who are slightly impaired when it comes to map-reading. You don't have to search a huge crackling sheet with a microscopic index for one of 10,000 dots on the map... The extraordinary quality of the books' beautiful hues and heavy paper also give these \$8.95 guides an evocative quality that stands apart from the glossy, garish look of most travel books." — Marin Independent Journal "A good, handy portable item for a quick trip" — San Francisco Chronicle "We love Knopf's smart new map guides." — Travel Leisure From the Inside Flap This opening fold-out contains a general map of the region to help you visualize the 6 large geographical areas discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses.
