**Knopf Guides : Knopf MapGuides Amsterdam** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knopf MapGuides Amsterdam:

1 of 1 people found the following review helpful. Knopf MapGuides Amsterdam By Marcie Knopf MapGuides come in all major cities and I purchase the guide for each city I visit. It is very helpful when traveling. The book breaks down the city into sections with a map for each section and the important sites to see in that section. It also shows you where there are places to eat and shop. The book is small enough to keep in your pocket book. 0 of 0 people found the following review helpful. Amsterdam Guide Book By Randall Brian We used this book while visiting Amsterdam and found it very helpful. It gave us good information and was easy to use. The fold out maps were an extra nice way to

keep our daily "walking about" organized. We've used other of these booklets and have enjoyed them all.0 of 0 people found the following review helpful. The best!By Eden ElizabethThese are my favorite guidebooks. I have them for several cities.

Great tool for discovery a Great City
