From Globetrotter : Krakow and Poland Travel Pack (Globetrotter Travel Packs) by Globetrotter (2009-01-13) before purchasing it in order to gage whether or not it would be worth my time, and all praised Krakow and Poland Travel Pack (Globetrotter Travel Packs) by Globetrotter (2009-01-13):

3 of 4 people found the following review helpful. save your moneyBy lmgThis book had so little information as to be virtually useless. The maps were too small to read. Better to got to Krakow and get the free material at the Tourist Information. I bought it because it was lightweight, but it would have been better not to have it a all.
