ITM Canada : Krakow (Poland) 1:8,000 Street Map (International Travel Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Krakow (Poland) 1:8,000 Street Map (International Travel Maps):

0 of 0 people found the following review helpful. Doskonały By Camminatore I was in Krakow as part of a tour. First, before leaving on a trip, this map helped me identify an error in the tour itinerary where the tour company had the hotel address listed incorrectly. Second, when in Krakow also found how to get, as a personal side trip, to the nearby Divine Mercy Sanctuary (Saint Faustina), Basilica, Chapel and Tomb. The map also has the tram routes and numbers marked. Hard-copy maps are invaluable and this is a very good map. 0 of 0 people found the following review helpful. It was perfect. By Nickolyn Russell I used this map to find the location of our hotel, train station, and the old town. It was perfect. 4 of 4 people found the following review helpful. Krakow (Poland) 1:8,000 Street Map By bbo Krakow (Poland) 1:8,000 Street Map is very basic. Unfortunately it doesn't cover majority of outlying areas that are still within Krakow's city limits. There's a good choice of free maps if you just want to stay within the old town.

ITMB's third map for Poland, concentrates on the central portion of the city, with a large inset of the central pedestrian area and with a regional inset map showing roads to Auschwitz (now called Oswiecim) and to Katowice. Legend includes inter-city rail lines w/ station, Krakow tram/street-car lines, parks, plazas, accommodations, churches, synagogues, points of interest, museums, police stations, shopping centres, hospitals, pedestrian streets, bike routes, bus stations. Indexed.
