**David Brawn, Ros Brawn : La Palma Tour and Trail Map Super-durable Version (Tour Trail Maps)** before purchasing it in order to gage whether or not it would be worth my time, and all praised La Palma Tour and Trail Map Super-durable Version (Tour Trail Maps):

This work offers 1:40,000 scale topographical map of La Palma printed on high density polymer with special inks to produce a waterproof, tearproof, almost-everything-proof map that will survive the toughest of conditions for many seasons. Incorporating the latest DWG ground-survey information "La Palma Tour Trail Super-Durable Map" includes the latest road numbering, the spectacular new Los Tilos bridge at Los Sauces opened on 17 December 2004, full list of the official GR/PR/SL walking routes and where these routes are accessed from the tarmac roads. All the 34 walking routes from "Walk! La Palma" are highlighted including many of the GPS Waypoints from these routes.
