BrownTrout Publishers Inc : La Provence 2011 Square 12X12 Wall Calendar (World Traveler) before purchasing it in order to gauge whether or not it would be worth my time, and all praised La Provence 2011 Square 12X12 Wall Calendar (World Traveler):

Once an ancient Roman province, La Provence rests serenely between the Alps and the Mediterranean Sea. It is a land of lavender, sunflowers, sun-drenched markets, Roman architecture, seaside villages, and cobblestone streets. It charmed the likes of Cezanne, Van Gogh, and Chagall. Les provençals speak a most musical French that reflects their relaxed way of life, and that the rest of France finds irresistible. This wall calendar captures the everlasting allure of La Provence.
