0 of 0 people found the following review helpful. and they love it. Looking at the beautiful photographs By N. Williams I bought this calendar for my daughter and granddaughter, and they love it. Looking at the beautiful photographs, they imagine themselves going there. It is inspiring ... brings up the possibilities of travel, and reminds one of what a big and interesting world we are blessed to live in.

Once an ancient Roman province, Provence rests serenely between the Alps and the Mediterranean Sea. It is a land of lavender, sunflowers, sun-drenched markets, Roman architecture, seaside villages, and cobblestone streets. It charmed the likes of Cézanne, Van Gogh, and Chagall. Les provençals speak a musical French that reflects their relaxed way of life and that the rest of France finds irresistible. This wall calendar captures the everlasting allure of Provence. Includes a free download of the TravelDays™ app for the smartphone and tablet, which grants access to the world's best destination photos and backgrounds, fun puzzles, and a calendar featuring picturesque places that will transport you from the day-to-day to the truly memorable. BrownTrout is committed to sustainability.
