BrownTrout : La Provence 2017 Square (Multilingual Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised La Provence 2017 Square (Multilingual Edition):

La Provence Wall Calendar: Once an ancient Roman province, Provence rests serenely between the Alps and the Mediterranean Sea. It is a land of lavender, sunflowers, sun-drenched markets, Roman architecture, seaside villages, and cobblestone streets. It charmed the likes of Cézanne, Van Gogh, and Chagall. Les provençals speak a musical French that reflects their relaxed way of life and that the rest of France finds irresistible. This square wall calendar captures the everlasting allure of Provence.Wall Calendar12-month Calendar/July - Dec. 2017 overview12" X 12"Stapled BindingMedium Square GridObserves Major Holidays
