Jim Watson : Lakeland Villages before purchasing it in order to gauge whether or not it would be worth my time, and all praised Lakeland Villages:

0 of 0 people found the following review helpful. Four Stars By Janet M. Devlin The illustrations are delightful.

A portrayal of 34 Lakeland villages in words and drawings. Although every village is provided with a map, this is not a guidebook filled with pre-planned walks, but a celebration of the author's favourite bits of the Lake District, giving information but allowing for personal discovery too.
