Borch : Laminated Germany Map by Borch (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Laminated Germany Map by Borch (English Edition):

5 of 5 people found the following review helpful. great detailBy CHI really liked this map as it provided me a great update to the maps that I used in Germany two decades ago. The detail was fantastic, but it was sometimes very hard to read, so anyone who has vision issues may want to use a magnifying glass. Although the detail was hard to see in low light, I think that overall is the best map for travel in Germany in a car. Highly recommended.0 of 0 people found the following review helpful. Practical and easy to use.By SquidVery durable. Easy to read. Don't have to worry about getting it wet.2 of 2 people found the following review helpful. but this was great for highway driving (no ripping or falling apart) and ...By norawaypointVery handy for travel planning. We needed more detailed local maps, but this was great for highway driving (no ripping or falling apart) and planning our itinerary.

Folded road and travel map in color. Scale 1:800,000. Distinguishes roads ranging from motorways to secondary roads. Legend includes railways, gas stations, restaurants, motels with restaurant, snack bars, truck stops, checkpoints, international airports, regional airports, passes, ferry lines, national parks/nature preserves, points of interest, monuments, churches, monasteries, castles, ruins. Climate charts show the average daily temperatures, humidity, hours of sunshine and precipitation for each month.

About the AuthorBorch, a cartographic publishing company from Germany, makes tough, long-lasting multi-lingual maps with non-toxic, environmentally responsible lamination material.
