Laminated Map of Florence / Firenze Souvenir Map by Lozzi (English, Spanish, French, Italian and German Edition):

Imported from Rome -- invaluable local information! Weather-resistant pocket map of Florence in color with English-language travel information. Full-color street map is highly detailed and suitable for using while walking (scale 1:10,000) as most street names are labeled directly on the map. Tiny sketches of places of interest are used to mark their locations on the map so that they can be recognized once you see them. Also shown on the map are metro / airport shuttle / tramway / bus lines (regular and ecological), which are also listed on the reverse so you can find them by name and then locate them on the map side. Includes an alphabetical street index so you can find the location of the street you want on the map. Also includes a listing of important phone numbers: airports, tourist offices, police, mass transit, pharmacies, tour guides, and taxis. A remarkable value with extensive information from an authoritative local source for under \$5.00.
