**Borch : Laminated St. Petersburg City Streets Map by Borch (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Laminated St. Petersburg City Streets Map by Borch

(English Edition):

1 of 1 people found the following review helpful. Used it everyday for the subway system  
By J. Garcia  
This map of the subways and streets came in so handy for our trip to St Petersburg. The lamination protected the map superbly and you will need to protect the map because it could rain anytime in Russia.  
0 of 0 people found the following review helpful.  
Very good map of St. Petersburg (Soviet Federation)  
By Allen I. Berk  
I've never been less than very satisfied with maps from this company. Detailed and durable. Don't leave home without it.  
0 of 0 people found the following review helpful. Five Stars  
By Connie Martin  
Will put to good use in September. Using now to get our bearings.

Folded street and travel map in color. Scale 1:11,000. Legend includes sights, museums, monuments, churches, synagogues, mosques, castles, beaches, youth hostels, Subway, airports, airfields, hotels, markets. Includes inset map of Moskovsky Prosp. (1:20,000), St. Petersburg Northwest (1:15,000), St. Petersburg Region (1:325,000), Pushkin (1:10,000), Petrodvorets (1:10,000) and Public Transport System. Climate charts show the average daily temperatures, humidity, hours of sunshine and precipitation for each month.
