Ron Scholes : Landmark Visitor's Guide Yorkshire Dales (Landmark Visitor's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Landmark Visitor's Guide Yorkshire Dales

(Landmark Visitor's Guides):

This guide covers the well-known sights and introduces the visitor to some unexpected places of interest. It features car tours and town trails with accompanying maps and historical background notes. It includes Fact File, which gives practical travel advice including local customs, accommodation and entertainment. It also features full colour photography with road maps and feature boxes.

"If you've never used a Landmark Visitors Guide, you're in for a treat. These useful guides give more than a gazetteer-style list of things to see and do. They give background information on an area and its sights. The beautiful colour photographs add interest to the guide and give a taste of what's to come.... Full colour maps in each section show the attractions and the recommended driving routes. With a Landmark Visitors Guide in hand, you don't need to plan your trip. An expert has done it all for you." -- Barbara Ballard
