**Robert Niebuhr, Bernd Scherak : Language and Travel Guide to Croatia (Hippocrene Language Travel Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Language and Travel Guide to Croatia (Hippocrene Language Travel Guides):

1 of 1 people found the following review helpful. Good insight  
By G. S. Mellinger  
We actually tore out the pages we needed and took it with us. Nice overview of Croatia very helpful. There are not that many guides for this part of the world...  
9 of 9 people found the following review helpful. One Stop Shop!  
By C. Laroya  
This book combines Croatian language and travel information all in one. It gives a quick history of the country and then breaks down into regions with guides for the major towns, with plenty of pictures and maps. The language section has grammar and pronunciation explanations that are easy to understand. The dining section is really helpful, with a wide food vocabulary and all the necessary phrases. Eating can be quite a challenge if you don't know the difference between musaka (moussaka) and mozak (brains)! I definitely recommend this book for its great intro to the language and detailed information on everything from renting a car to Baroque manors.  
0 of 0 people found the following review helpful. English spoken almost everywhere!  
By Georgi Delgadillo  
This book helped us some while we traveled in Croatia and Slovenia. It didn't help as much in the "travel" section because many of the small towns were not included. The "language" section of the book was very interesting and helped us read the signs. However, we only met 2 people in 2 weeks that didn't speak English. People under 30 were definitely English speakers!

European tourists have long known what Croatia has to offer as a vacation destination: miles of unspoiled Mediterranean coastline, Roman ruins, medieval hilltop castles, and natural wonders, plus warm and welcoming people. Croatia has been called the "new Riviera" by the New York Times, was chosen as the number-one destination of 2005 by Lonely Planet, and was named Destination of the Year in 2006 by National Geographic Adventure Magazine. Tourism is booming, and Croatia is visited by 10 million tourists from all over the world every year. This breathtaking country boasts six UNESCO World Heritage Sites, including the historical complex of Split with the Palace of Diocletian, the Old City of Dubrovnik, and Plitvice Lakes National Park. With a special focus on language, the Language and Travel Guide to Croatia is an excellent reference and companion, and contains: -Detailed information on the culture and attractions of Zagreb, continental Croatia, the coast, and islands -A language s
