**Reise Knowhow : Latvia** before purchasing it in order to gage whether or not it would be worth my time, and all praised Latvia:

Latvia 1:325,000 Travel Map, waterproof, GPS-compatible, REISE, 2012 edition This map is waterproof and tear-resistant, double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information.Road and rail networks are easy to see on a clear base which presents the country's topography by altitude colouring with contours and spot heights. Road network includes selected unsurfaced local roads, indicates locations of border crossings and shows driving distances on main routes. National parks and protected areas are marked and symbols highlight various places of interest, including picturesque towns and villages, campsites, UNESCO world heritage sites, natural curiosities, etc. Internal administrative boundaries are shown with names of the provinces. The map has a latitude and longitude grid at intervals of 20' and an index of place names. Multilingual map legend includes English, the map is indexed. High quality German cartography.
