1 of 1 people found the following review helpful. The best guide book ever!By Bill W.As an Ex-Pat who lived in Barce for a time, i can tell you that this is the ONLY guide book you'll ever need. It has everything you could possibly imagine, from the typical like the Sagrada Familia, to the corner bar that has the best Patatas Bravas in all of Barce. If you can only get one guide book, this is it! And don't forget to stop by their office in Barce and see what new cities they have!

Used Good condition book may have signs of cover wear and/or folds on corners and page edges. Inside pages do not have highlighting, writing or underlining
