Christina Torres : Learn Spanish in a Week (Spanish Language Learning Secrets) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn Spanish in a Week (Spanish Language Learning Secrets) (Volume 1):

6 of 6 people found the following review helpful. NOT for ALL KindlesBy Kimberly FoxAs a language teacher, I find this book as an excellent overview of the Spanish language. It is presented in a very simple, easy to understand

manner. BUT beware when ordering this for your Kindle reader. It only is formatted for certain Kindle's. I have a Paper White Kindle and it can not be loaded. needs to CLEARLY show which devices can use their books. Now I am relegated to reading this book through my account online, which is not comfortable, or portable info. Buena suerte y diviértete!

By 76The intro to the book online indicated it was for beginners but it required some Spanish language understanding even in the first chapter.
