From the momentous to the outlandish, this little book brings together past and present to offer a taste of Leeds. Learn

about the movers and shakers who shaped this fantastic city. The great and the good; the bad and the ugly. Small wonders, tall stories, triumph, and tragedy. Best places, worst places. Origins, evolution, future. Written by a local who knows what makes Leeds tick.

About the Author Diane Holloway has lived in Yorkshire most of her life. In the past she has worked in education for Yorkshire Museums and written many magazine articles on art history and environmental issues. She is the coauthor of *The Knights Templar in Yorkshire*.
